LEE IS . . .

The background of the cover is a photograph of Robert E. Lee High School. A tall flagpole with an American flag is in the foreground on the left. The school building, a long, two-story structure with many windows, is in the background. A white car is parked in front of the building. The sky is clear and blue.

## Lee Is a Building

constructed in 1957,  
occupying 30.32 acres of land,  
containing 70,000 square feet of classroom area, 91  
classrooms, 3 gymnasiums, 1 auditorium, 1 library, 1  
clinic, and 1 cafeteria.

## But Lee Is Much More Than a Building

It is a place where we spend half our waking hours.

It is a place filled with memories echoing our joys and heartaches, our fun and despair, our accomplishments and failures.

It is a place which has become a part of us, a place which

we have taken from and in doing so have added to.

It is a place of familiar sounds — the slamming of lockers at 2:15, the droning of P.A. announcements, the grinding of pencil sharpeners, the dribbling of a single basketball in an empty gym, the hum of busy classes, the intermittent ringing of bells.

## Lee Houses Many People

5 Administrators  
6 Secretaries  
2 Librarians  
1 Nurse  
9 Guidance Counselors  
95 Teachers

931 Male Students  
896 Female Students  
Numerous others who help keep things running

## But Lee's Population Is More than Mere Numbers or Nameless Faces

They are people who touch our lives briefly or remain a part of us forever.

They are people who help shape our goals, our attitudes, our self-images, our likes and dislikes, our mannerisms, our futures.

They are people who give Lee its own personality and identity.

They are people who yell at pep rallies, who compete for best homecoming float, who walk for mankind, who win district athletic championships, who excel in National Merit competition, who enliven classes, who contribute to the community, who perform in plays, who sell booster buttons, who produce publications, who bring home individual honors.

## Lee Offers a Wide Curriculum

13 English Courses  
9 Social Studies Courses  
17 Mathematics Courses  
12 Science Courses  
26 Language Courses  
10 Business Courses  
9 Health and P.E. Courses  
4 Distributive Education Courses  
14 Industrial Arts Courses  
8 Home Economics Courses  
11 Art Courses  
10 Music Courses  
29 Vocational Courses

## But Lee's Faculty Does More than Educate Us

Lee has a faculty who keep our records; who fill out our recommendations for jobs, scholarships, and colleges; who understand that learning is often the thing of least importance to us; who prod us when we get lazy; who make our classes as interesting as possible; who stay up late grading our papers; who take courses to keep lessons relevant; who cope with problems a physician would avoid; who smile over our successes and share our disappointments; who worry whether they are teaching us enough; and who miss us when we graduate.

Lee has a faculty who sponsor our classes and organizations; who coach our teams; who help put together our publications; who chaperone our dances; who buy our booster buttons, stationary, candy and soap; who give our seniors and their parents a reception; who take us on field trips; who direct our art and musical talents; who come back to school at night while we hold club meetings and decorate our halls; who attend our athletic events and dramatic productions; who — in other words — care about us.

## Lee Offers Many Extra-Curricular Activities

6 honor societies

9 service clubs

5 publications

7 musical groups

20 interest clubs

5 girls' team sports

10 boys' team sports

3 co-educational team sports

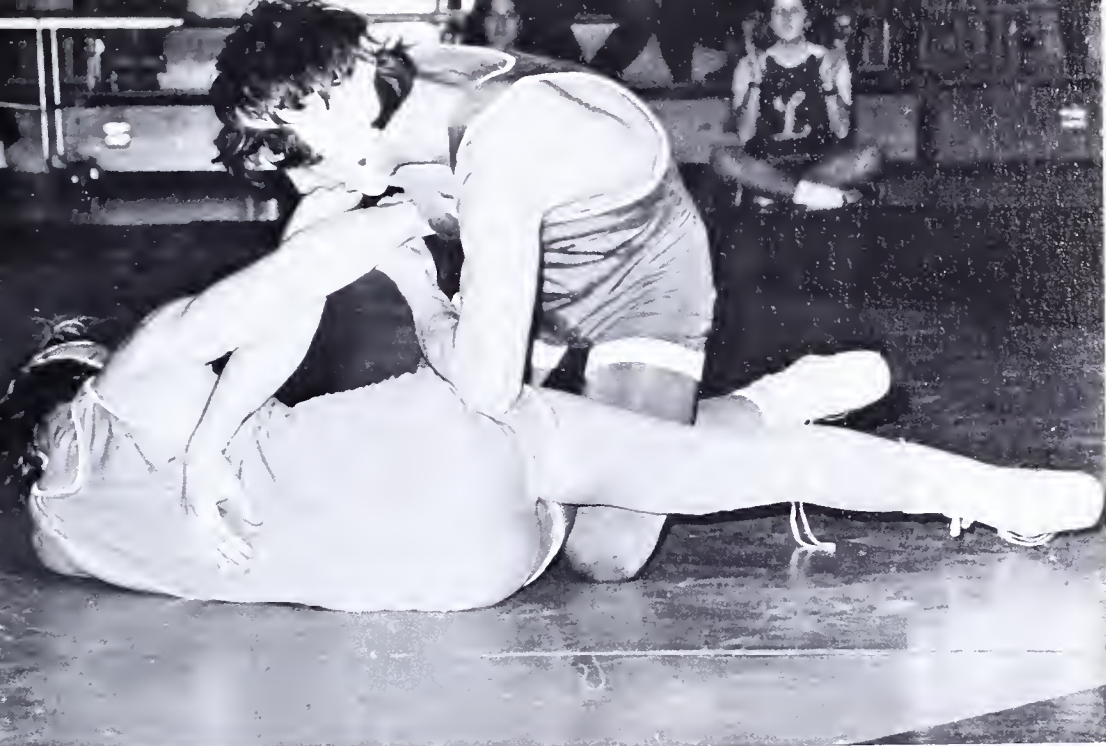

3 cheerleading squads

1 drill team

a student government, and various concerts, dramatic productions, class activities and dances.

## These Activities Do More than Fill Our Hours

They enable us to experience defeat and triumph, to be creative, to learn valuable skills, to set realistic goals, to become leaders.

They enable us to become an integral part of Lee, to give of ourselves and become a part of a group.

They enable us to extend our lives past the boundaries of Lee — to aid the community, to exchange ideas and rivalries with other high schools, to visit places of cultural interest.

## Senior Spirit in '75 <sup>2</sup>

The senior class of '74 — '75 led the entire school in spirit, determination and hard work. Seniors started the year off with a fantastic summer dance in August. They held a very successful sockhop during the football season and several other dances during the school year. After the Annapolis trip they dived head first into homecoming and won first place in both hall decorations and float competition. In November the Class of '75 organized Lee's very first rock concert. The annual spaghetti dinner was profitable and fun, providing an opportunity for class members to work and share. After all the hard work during the school year, they were able to afford an extravagant Senior Prom at the Quality Inn, in May. With the guidance of their sponsors, Mrs. Reese and Mr. Harris, and the industrious spirit of their senior officers, the Class of 1975 proved to be one of the finest in Lancer history.

# Seniors Invade Annapolis

As October 5 dawned, a hundred Seniors boarded the buses to be part of Lee tradition — the annual field trip to Annapolis. Arriving on the Naval Academy campus, they took a short sightseeing tour before going to the Navy vs. Boston College Football game. Despite a 2 hour wait before the game, sitting on the visitor side, being sun-burned, and watching Navy lose 37-0, the Seniors continued to be in good spirits.

# Senior Dress up Day

Part of the fun in being a senior is the traditional senior dress-up day, falling either on Halloween or as close to it as possible. October 31, began as any ordinary school day at Lee. But, that was before the seniors began to arrive, their true personalities showing for the first time. Who would have believed what lay beneath the cool exteriors of these seniors — a 5'9" Shirley Temple, several flappers, a giant banana chasing gorilla, Raggedy Ann dolls, a dashing musketeer, and a cavewoman. The costuming was so unique that a hall parade was organized during the 5th period, allowing all students a chance in which they could see the creative ability of seniors.

# Spaghetti Dinner Draws Crowd

The Class of '75 carried on an old tradition, sponsoring the Spaghetti Dinner. Mike Cloyd, class treasurer, took charge, and on January 23, at 5:00, the cafeteria doors were opened to hungry customers who entered the "Italian" atmosphere. A superb spaghetti dinner was served by Senior "waiters." Ric Jones, Mark Frimmel, and the Madrigals provided the entertainment.

# Seniors Take Over

On Wednesday, March 12, the Seniors and the faculty traded places for the annual Senior Administration Day. Karin Dirst (Mr. Jackson) added to the school phone bill by calling out for doughnuts for the "faculty" meetings held throughout the day, while Mr. Riddle (Barb Angelino and Kathy Baker) patrolled the halls and parking lot. Dan (Mr. Cassano Sir!) and Bob (Mr. Shearer Sir!) taught Mrs. Burgess' classes and self defense was taught in Mrs. Vaughn's P.E. classes by Coaches Kleha and Wheelless. The Janitorial staff (Carol Petchul, Donna Anaya, Marcia Roberts) provided entertainment with their buckets and dripping sponges. Besides having fun, the seniors also found out what the teachers go through every day at Lee and returned to their roles as seniors the next day a little wiser.

# Senior Class Presents "Charley's Aunt"

The Senior Class presented "Charley's Aunt" December 5, 6, and 14. Although the play was written in 1892, audiences still find the wording, stunts, and antics amusing. The three-act comedy is about two men who love two young ladies and arrange a luncheon party with them to be chaperoned by Charley's rich aunt from Brazil ("where the nuts come from"). Charley's aunt sends word that she can't come and the lovesick men force one of their friends (Jeff Strang) to impersonate her so that the party can be held after all. Their deception is found out when Charley's

genuine aunt (Dianne Combs) arrives, but the play ends happily with everybody getting his girl. Jeff Strang was hilarious as Charley's aunt and had the audiences chuckling. Sandy Holtman and Ruane Doney were charming as women of the 1890's. The rest of the cast, Sam Eure, Gordon Dexter, Jim Gregerio (the strange butler), Bill Traweek, Bob Smith and Chris Colley all did exceptional jobs. Under the direction of Mrs. McSwain and the student director, Evan Kolb, the play was most entertaining and enjoyable.

# SENIORS SHOW INDIVIDUALITY

The class of '75 was no exception in the age old problem of Senior Apathy. After spending four years at Lee, whatever school spirit the Seniors had to begin with, had just about run out. The Seniors tried to show some enthusiasm in school and class projects. They were able to achieve success through their own individuality. Members of the Senior class used their talents and energy in many different ways, from serving the community to spending every extra minute in the Weightlifting room. Without a doubt, this year's Seniors have excelled in all they have undertaken.

# Seniors Lose Powderpuff???

The Annual Powderpuff Football game was held October 21. Steve Wheelless coached the Senior girls. Junior girls were coached by Larry Elam and Dayle Tate. Both teams had a lot of spirit and put up a good fight. The enthusiastic cheerleaders were very entertaining. The Seniors were ahead when the clock ran out, but a referee called a penalty and the Juniors won 20-16.

# Lancers Show Spirit Day and Night

On Sunday, October 20, students were at Lee from 9:00-5:00 decorating the halls for Homecoming Week. The school was covered with blue and gold streamers and posters following the theme of monster movies. Thursday night Lancers enjoyed a huge bonfire on the baseball field. Everyone showed spirit at the Homecoming pep rally. (even the seniors cheered!)

Winning the '74 Homecoming follies, Lancer performed a skit using songs from the "Adams Family", alluding to the Lee football team. How appropriate for the theme this year was "Monsters". Keyettes, second place winners, became monsters under the director of their "cheerleader", Erin Cloyd. Civettes, the third place winners, concocted a magic potion for a winning game.

# 1974 Homecoming Game

The '74 Homecoming theme was "Monster Movies". The game itself had a special drawing card since the Lancers were undefeated. Half-time festivities began on a good note, since the score was 0-0. The floats were the first to be displayed, the seniors taking first prize with their version of King Kong and "Lancers Go Ape." The highlight of the half-time was the crowning of the Queen, Laura Hillmer. The title of Maid of Honor went to Kathy Yawornicky. To finish the excitement, the Lancers went on to victory, beating Ft. Hunt 7-0.

## It's Academic Takes Third

The It's Academic team, under the able sponsorship of Mrs. Mellion, competed this year against Richard Montgomery and Einstein high schools. Hurt by the loss of first team member Ernie Hess, the team competed admirably, led by Captain and leading scorer Phil Begley, Karl Riggle, and Leonard Zubkoff.

Front Row: L. Zubkoff, P. Begley, K. Riggle. Row 2: Mac Gary, Giant Food Rep., Mrs. Mellion.

# Sam Eure, School Board Member

Lee is somewhat unique in Fairfax County. What makes the difference? Sam Eure. Sam was elected by representatives of all Fairfax County high schools to

be the student school board member, representing the students of all 20 Fairfax County high schools. Fairfax County is one of a very few school systems in the nation to have this position, and we at Lee feel it an honor to have a Lee student on the board!

# Mr. Lancer 1975

After hours of grueling competition, Bob Kleha (Mr. True Blue) was crowned the 1975 Mr. Lancer. He also won the title of Mr. Congeniality. Ernie Hess (Mr. I.Q.) received a black negligee as his prize for being Mr. Sex Appeal. Tony O'Toole dazzled the judges during the Mr. Legs competition and walked off with that title.

The boys were judged on their humor, personality, beautiful bodies, and their talent. The program consisted of four parts, the introduction and Mr. Legs competition, skits, the boys formal attire, and finally the elimination.

The Mr. Legs competition was perhaps the most risqué portion of the shows as the boys whipped the audience to a frenzy by putting on a strip show to burlesque music. The show moved to a lighter vein as the boys performed in skits: "Shaving Cream", "Commercials" and "To Tell the Mel" were quite entertaining.

The five finalist were Bucky "Mr. Two Points" Roman, Jeff "Mr. Sugar Bear" Beall, Mike "Mr. All State" Duffy, Paul "Mr. I Live to Lift" Meyer, and Bob "Mr. True Blue" Kleha. The finalist were asked serious questions such as, "What is wrong with the United States?" Bucky's straight forward answer: "Government!"

The judges finally named Paul Meyer, 1st Runner up and Bob Kleha, Mr. Lancer.

# Lee Goes Dogpatch

Sadie Hawkins, sponsored by Keyettes with the help of Key Club, was held Nov. 23. This day had been long awaited by the girls at Lee. It was their turn to take their favorite "feila" out. "Blaze" provided the appropriate music for the sparkin' couples. There was an apple bobbin' competition for the girls, and the boys' cider drinkin' contest was won by Bruce Reinard. Linda Anderson and Jess Dishner were crowned and given the title of Daisy Mae and Lil Abner for being the bestdressed couple. Marryin' Sam added to the fun by marryin' all the couples.

## Lee Competes in One Act Competition

"Aria Da Capo," an allegorical morality play by Edna St. Vincent Millay, which illuminates different aspects of humanity, was presented by Lee Theatre in the annual One Act Play Festival, held this year at Falls Church High School. Under the direction of Mrs. Patricia McSwain, Lee's production was one of high quality rarely found in a high school production. The harlequinade characters Pierrot and Columbine were portrayed by Jim Gregorio and Ruane Doney, the sheperds Corydon and Thyrsis by Bob Smith and Jeff Strang, and Cothrerus by Evan Kolb.

# Sweetheart Dance 1975

In February, Civettes brought back Lee's traditional Sweetheart dance. The semiformal dance was held Saturday, February 15. The cafeteria was transformed into land of hearts, flowers and trees. Taylor Mills Road Band supplied romantic music. Two Lee students, Rick Jones and Ken Breeden are in this group. A court chosen by the students consisted of the following couples: John Aranza and Mac Sutherland, Mike Dishner and Gail Predzin, Dave Buonviri and Carol Gallagher, Scott Peterson and Laura Hillmer, and Sweetheart couple David Mahler and Betty Moore.

## 1 Lee Students Participate in English Exchange Program

Lee High School has been participating in a foreign exchange program with English schools for several years. Each year applicants are screened through written applications and interviews. Linda Anderson and Debbie Young, two juniors, were chosen. They departed for Oxford, England, on March 13, and stayed for three weeks with English families. Linda and Debbie visited Stonehenge, Bath, Oxford University, and London. They also had a chance to observe the British school system. A week after their return, they were joined in Springfield by their British counterparts, Ruth Cox, Jacquie Enoch, and Linda Trippick. Mr. Peter Gilkes, a teacher from the British Students' school, accompanied them. They stayed with the Andersons, the Ennises, the Elliots, and the Youngs for four weeks, visiting Washington, the White House, Williamsburg, and Jamestown.

# ACADEMICS

# Lee's Administrators Create a Friendly Atmosphere

The "Personality" of any school is a reflection of its administrative staff. Lee's four administrators have created a relaxed and friendly atmosphere in which students can achieve academically and grow emotionally. These are devoted men, who enjoy young people, who are enthusiastic about Lee's academic achievements, sports programs, and extra-curricular activities.

Mr. Jackson has now completed his eleventh year of administrative work in Fairfax County and his fifth year as principal at Lee. He is genuinely concerned about the students and enjoys his job most when he is mingling with them in the cafeteria, the halls, or at pep rallies.

Mr. Baumgartner has been a part of Lee for seventeen years, serving as P.E. teacher, baseball coach, head football coach, Assistant Principal of Administration, and now as Assistant Principal of Instruction.

Mr. Cockey, who came to Lee from T.C. Williams, became Assistant Principal of Administration in '74. A former baseball coach, he now sponsors Lee's very active Junior Civitans.

Mr. Riddile is the newest member of the Administrative staff. A former social studies teacher at Lee, he is now Administrative Aide.

# Guidance Department

There is not a student in Lee who has not visited the Guidance Department. The counselors are an integral part of school experience and work hard performing many tasks: giving standardized tests, giving personal counseling, assisting in job placement and college choices, counseling in career opportunities, and keeping records. Mr. Wilson aptly summed up the duties of the counselor: "Who brings you sunshine from the rain? Who shares your every joy or pain? Who urges you to use your brain? Your counselor. Who urges you to use your brain? Your counselor. Who listens to your every sob? Who tries to help you find a job? Who never acts like he's a snob? Your counselor. ## Lee's Secretaries

Lee is fortunate to have extremely hard-working individuals who make the various offices run smoothly. Mrs. Hanson, administrative secretary, can never be found without a smile on her face. The front office secretaries, Mrs. Williams and Mrs. Gardner, find time somehow between their other duties to help any student who has a problem. And of course, Guidance could not function without Mrs. Ryan and Mrs. Clark.

He also schedules all use of the school facilities by both the community and school organizations, and schedules and coordinates student activities.

# English Stresses Basic Skills

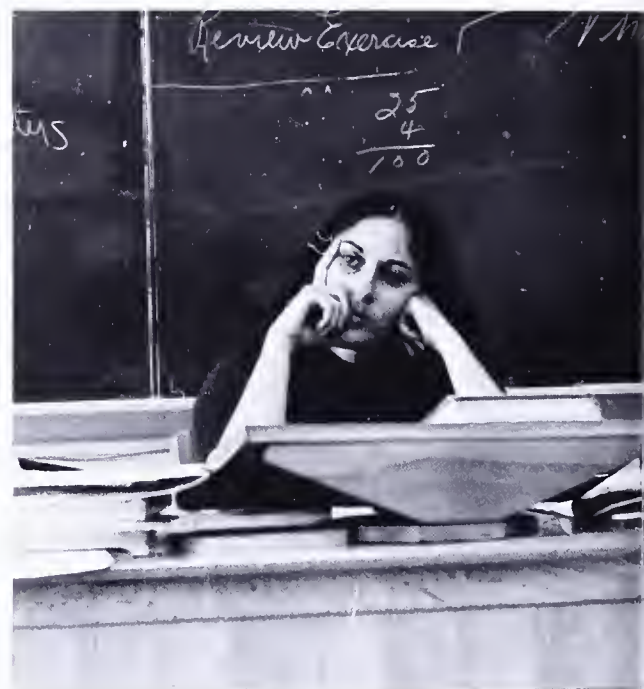

2

The importance of English is stressed by the fact that it is the only course of study required of all students during all four year of high school. It is that part of the high school experience where each and every student is drilled in grammar skills, coaxed into making speeches, urged to write and rewrite themes, and made to read and re-read until all motifs and symbols are discovered in novels, short stories and plays. The course of study was changed somewhat in '74-75. Thematic units were limited to juniors and seniors. Enrichment courses were also offered: Composition, Creative Writing, Drama, Advanced Placement, and Reading. The department introduced the Learning Activity Center, a place where students who have problems with English skills are sent for individual instruction.

# English Thematic Still Popular

Having taken English for four years, students at Lee will remember the teachers well. They have prodded and pushed us into learning to use the English language correctly. They have also added sparkle and enthusiasm to their classes. Mrs. Dunn will be remembered for her sense of humor, Mrs. Hecklinger for her puns, Mr. Hepp for **Moby Dick** and his ticket box, Mrs. Worsham for her sentence diagrams, Mrs. Burgess for her yearbook deadlines, Mrs. Macleod for her "show-n-tell." Mr. Benedict, the more subtle of the two can be recognized by the fact that he does not have a beard, and is fondly known to his students as "the Silver Fox." Mr. Hammonds, (the big kid with the beard), rides madly about the room on his speedy tricycle, has "pressing problems" with his printing and as a photographer, he is often "left in the dar." Though to onlookers, the Art Department may appear a trifle chaotic, to those students emerging from its ivory halls, it provides an endless source of visual imagery for future use.

# Social Studies Offers New Units

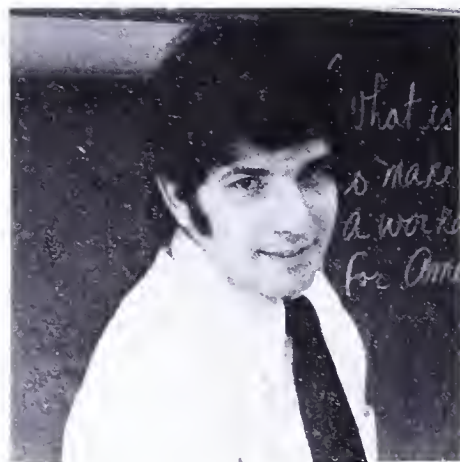

The Social Studies Department teaches students about past and present civilizations, geography, government, sociology, and economics. Social Studies courses give students a broader understanding of the world as it is now and of direction in which it is heading. It has been said that the "generation that ignores history has no past and no future." Lee's social studies teachers make certain that their students do not ignore history. They enable students to become better citizens by learning about the mechanics of government and encourage them to become involved with elections and community problems.

# Social Studies Teachers Work To Make Their Courses Relevant

The Social Studies Department has interesting and enthusiastic teachers. Mrs. Ehlman makes government come alive by turning her room into a courthouse and hold-mock-trials and by simulating sessions of Congress. Mr. Moore is best known for teaching about "fuzzy-minded dogooders." Mrs. Corliss, who never slows down, can always be seen rushing down the hall with projectors, books, and other materials. # Math Department Adds Up the + 's

Lee's Math Department has outstanding teachers who are highly qualified; eight out of thirteen have masters degrees. Besides all the help and good instruction these teachers give, most Lee students will remember them for their enthusiasm and personality which kept the classes awake. Mr. Brown brings humor to his classes with live "vertical and horizontal demonstrations." Mr. Anderlik teaches his students how to count the days till a vacation ends so that "we can all be in school again!" It's rumored that Mr. Bradley "Shot the Sheriff." Col. # Foreign Language Keeps Enthusiasm High

Ed Collins

Mike Bevis

Lee has an excellent Foreign Language Department, which offers German, French, Latin, and Spanish. An innovation in the 1974-75 school year was half year combinations which gave student the opportunity to learn the basics of conversation in any two languages. Three new Columbian students made Spanish Conversation classes more interesting. A foreign language festival was held in the spring. All language students got involved, making murals, projects, costumes, and foods. The language halls were turned into something resembling "Expo 75" for the occasion.

# Science Department Explores Life

The study of science enables the student to become more aware of himself and his environment and of his relationship to his environment, thus giving him a greater appreciation of life. It offers him a chance to explore the secrets of all living things: ameoba to mammal. Lee's Science Department offers a variety of courses which make this exploration possible, everything from those courses fulfilling the basic requirements to those meeting the needs of advanced students. Among the courses offered are Chemistry, Chem II, Biology, Earth Science, and Physics. New to the department is the horticulture class originated by Mrs. Lawson.

# Science Department

The Science Department is made up of some interesting people. Mrs. Lawson's favorite hobby is plants. Her plant room on the second floor is filled to the overflowing with plants, big and small. Mr. Varre, the man with the "growth" on his face, devotes his time to making Lee's wrestling team champions. Mrs. Emsley brings a little bit of the "old world" with her Welsh accent. Mrs. Mellion spends hours preparing It's Academic team for competition. The department added a Lee graduate to its staff this year, Mrs. Brown.

## I.C.T./D.E.

Distributive Education is taught on three levels: D.E. I, a 10th grade course used to introduce the student to marketing and distribution; D.E. II, an 11th and 12th grade course giving the first year of cooperative work/training experience for which the students earn 3 credits; and D.E. III, a 12th grade course which follows D.E. II. The areas covered in D.E. II are: personnel, sales promotion and security, sales supporting activities, and store planning and organization. D.E. III offers management organization, sales promotion and management, store operation and control and organization of distributive business. Students also participate on a local, state, and national level in the Distributive Education Clubs of America, which is designed to help develop leadership.

The Industrial Cooperative Training Program (I.C.T.) is a cooperative effort by the school, business and industry to provide on-the-job training for youth in trades, industrial and health occupations. The program is directed toward providing supervised occupational experience to enable student workers to acquire skills and related technical information and to develop desirable work habits and attitudes. The student spends one hour each day in the classroom and three or more in on-the-job training.

1. Mr. Sheble checks a student's project. 2. D.E. students work on their assignments.

# Business Department At Work

The Business Department prepares students for entry into the business world. Skills such as typing, banking, bookkeeping, operation of business machines, and taking shorthand help to qualify a student for a variety of jobs. The work experience program (COE) is offered to Seniors. Students in this program may participate in the on-the-job office training. They take four classes in the morning and work three to four hours in the afternoon. The (COE) students are graded by their employers. The business department also aids students in locating full-time and permanent employment upon graduation.

# Girls' P.E. Classes Stress Skills

Girls' physical education is an important aspect of the total high school experience. In these classes, girls participate in activities such as field hockey, volleyball, archery, gymnastics, basketball, softball, track, tennis, badminton, and even fencing. During the 1974-75 school year, some co-educational classes were tried. The busy P.E. teachers also put in many hours working to make the girls' athletic program an excellent one.

The scene in the boy's gym each day is one that is experienced by all males at sometime in their highschool careers. As the late bell rings, you will notice the numerous stragglers dashing for the locker room to dress in time for roll call. Without actually going inside the locker room, you can tell by the various yells and screams of the natives that there is pure havoc within. After roll call, the various activities begin; basketball, volleyball, tag-team, wrestling, handball, ping-pong, and freshman tag. All these activities are lead by "Scoe" Dean, "Arnie" Jones, "King-Kong" Kight, and "J.J." Jones. After getting all hot and sweaty, there is a mad dash for the showers and on to the next period, where the boys are too exhausted for math, English, or history.

# Industrial Arts Stress Skills

The Industrial Arts Department offers the students of Lee a variety of skills courses. In the Mechanical Drawing division, students can take Basic Drafting, Engineering Drafting, Architectural Drafting and Advanced Drafting. Among the shop courses are: General Shop, Electronics, Maintenance and Repair, and Auto Mechanics. Industrial Crafts is an innovative course which many Lee students enjoy. Primary among the objectives of the department is the wish to assist individuals in making informed and meaningful occupational choices in industry and technology.

## Custodial Staff

The custodians are probably one of the most hard working groups in our school. Everyday they faithfully pick up our candy wrappers, scrape our chewed gum off our desks, erase messages our friends write on our lockers, and generally make Lee a more pleasant environment.

## Cafeteria Staff

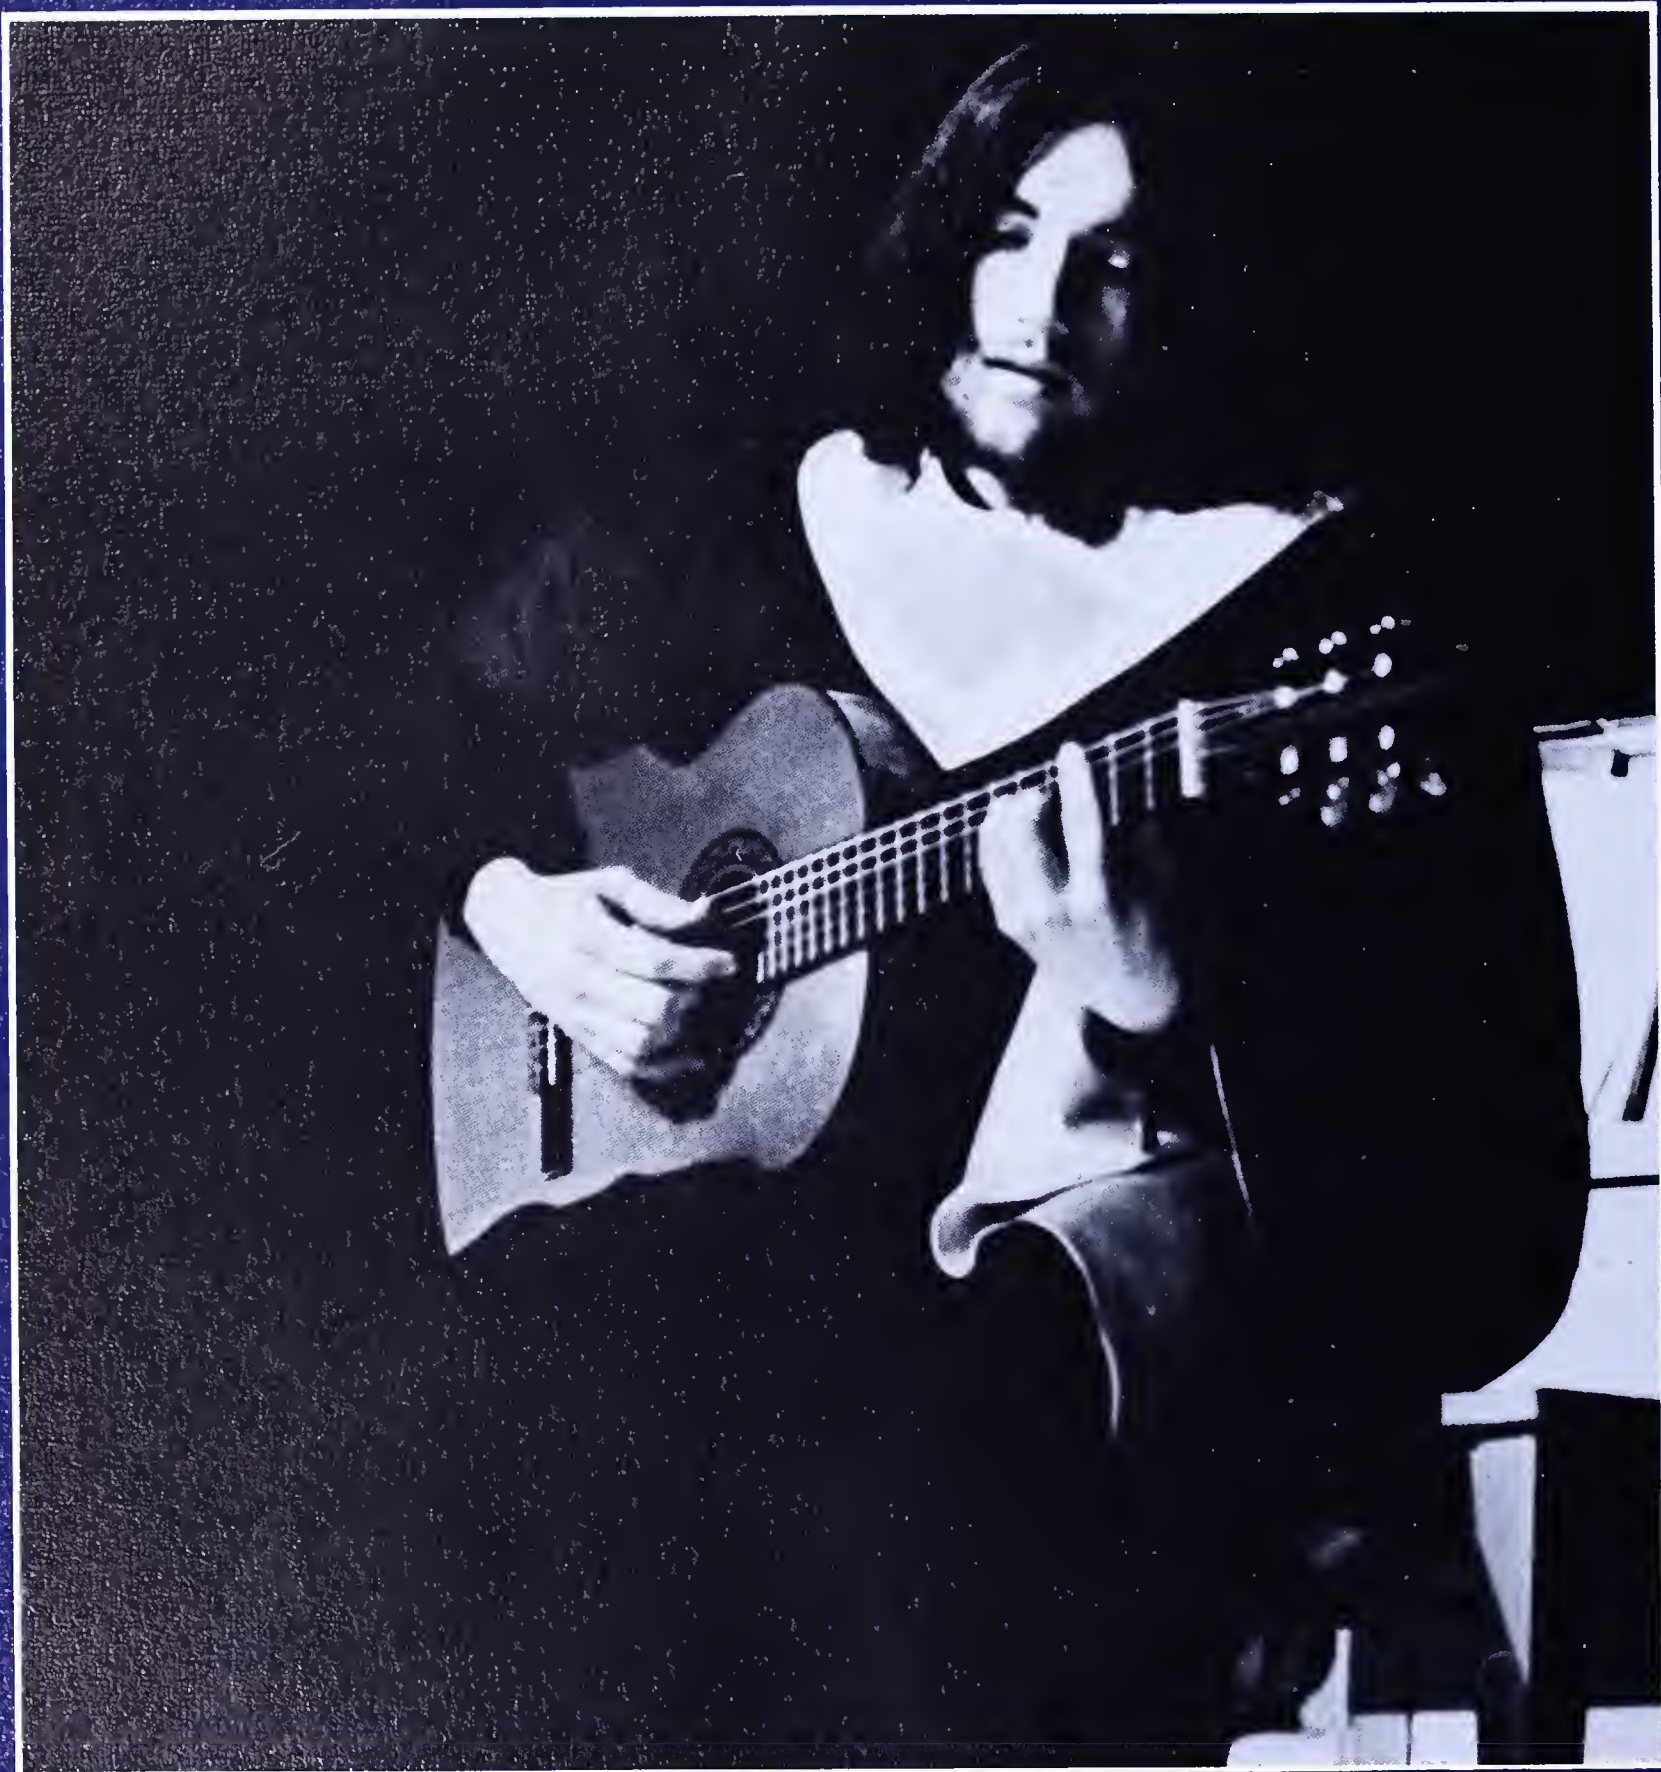

All students should be grateful for the industrious cafeteria ladies without whom we would not have a nutritious lunch every noon. Although students might prefer to eat at McDonalds or Taco Bueno's, we must remember that the cafeteria ladies do an outstanding job with the supplies they have to work with and offer a well balanced meal.

# ORGANIZATIONS

# Yearbook Staff

The **Shield** Staff and Mrs. Burgess met every day during 4th period, getting pictures and information that hopefully make this yearbook complete and are a good representation of what this year has meant to Lee Students. They've spent their days slaving over hundreds of complicated layout sheets, running all over school to search out the perfect people for our candids, staying up all night in the darkroom to finish some needed pictures, wracking their terribly creative and talented minds to come up with the theme and perfect captions, bugging students, sponsors, club officers, and teachers to death for write-ups and pictures, missing 5th period, vacation days and dinner to make all-important deadlines. All this frantic effort combined to completely aggravate, intimidate, frustrate and drive totally insane all the members of the **Shield** Staff this year.

## Civettes

Civettes is a girls service club at Lee. The organization was very active during the football season selling booster buttons and making goal post signs for each game. The club held several teas for the faculty throughout the year. Each week four Civettes went to Bush Hill Elementary School to help out. The club adopted a grandmother in a nursing home and visited her often. The girls also sponsored a Sweetheart Dance for Valentines day. Mrs. Ward sponsors the club.

# Keyettes

Keyettes is an international service organization. The Lee Keyettes upheld their motto, "We Serve" in many ways this year. They gave Head Start parties, collected for epilepsy, sold daffadils on the first day of Spring and sponsored the Sadie Hawkins Dance. They have also been busy with their district projects of helping in nursing homes and Johnny Horizon, and their International project, the Red Cross.

## Art Guild

The Art Guild is an honor society for those students who excel in art. This year the Art Guild has accomplished many things, such as conducting one man art shows at

Springfield Mall. Members consist of three seniors and one junior. The club is sponsored by Mr. Benedict.

S. Adolph, E. Kolb, B. Welch, L. Harding.

## German Club

The German Club is composed of students interested in the German language and culture. This year, as in past years, the club has gone as a group to the Heidelberg Res-

taurant. The club also participated in the International Dinner and the Foreign Language Festival. Mrs. Cavich sponsors the club.

## Science Club

The Science Club at R.E. Lee had an enriching, fulfilling year that included many activities to enhance the interest of its members and other students at Lee. They sponsored many projects, one such project was to see this year's eclipse, which brought much interest and participation from the student body. The members learn a great deal and encourage students to join.

## Christian Athletes

The Christian Athletes are composed of boys who have earned a varsity letter in the boy's sports program at Lee. The purpose of the Christian Athletes was to bring together boys of various sports programs to share their views of God.

## Drill Team

The '74-'75 Drill Team had a very busy year. The 43 girls attended competitions in which they won first and second place trophies. They were slaves for the varsity football players, made Christmas stockings for the basketball players, and showed their appreciation to the wrestling team and soccer players. The Drill Team showed great school spirit by winning the pep-stick at several of the pep-rallies. Their other activities included performing at half-times at football and basketball games. They participated in several parades in Virginia. Being a member of the Drill Team has always been a very time consuming responsibility. Each girl worked hard to earn the privilege to wear the Robert E. Lee uniform.

# SGA

The SGA Communication Committee is responsible for writing Lee Hi-Lites for the Springfield Independent each week. They also write articles for other SGA sponsored activities for the local newspapers. This year was the first year the SGA had senators which were elected by the entire student body, in addition to the senators elected by each class. These senators ran as a group of three, drew up a party platform, and were sponsored by organizations at Lee. The senators helped to decide the 1974 homecoming theme and organized the homecoming dance.

## Lance

This year the Lance attempted to make a fresh start and produce a contemporary publication that would be of interest to the students. In order to symbolize this, the first issue of the year was numbered No. 1, Vol. 1. Under the editorship of Paul Meyer and Mark Parrot, the staff strived to honestly report sports events and school activities along with feature articles. The Lance tried to remain an unbiased publication by soliciting articles from students who were not on the staff.

# Assistances Keep Things Running

Through their invaluable help, Lee assistants keep the school functioning smoothly. The student assistants who work in the Guidance Office are among the most valuable members of our student body. Their duties include answering the telephone, filing, typing, and greeting parents and visitors. Library assistants, check books out for students, help file and arrange materials, and aid Mr. Howard in keeping the library up to date. Gym assistants help P.E. teachers in getting and setting up equipment for games and activities, and by running errands and helping to set up for Pep Rallies in the Gym. The activities of the main office assistants continue to be varied and challenging. This year Lee's male, truly liberated, is helping with the filing, telephoning, eating, — all aspects of the job. IBM assistants handle the student records and report cards under the guidance of Mrs. Scott.

Clinic assistants occupy their time in the clinic by taking temperatures, cleaning cuts, putting on band-aids, and filling out students' medical cards. They also help the nurse in all aspects of keeping the clinic running efficiently. Lab assistants help the chemistry and biology teachers to prepare experiments, answer questions of students in these classes, and keep the lab equipment clean and organized. Language assistants spend their time grading papers, running the ditto and AV equipment, typing up worksheets and run everyday errands. Business assistants have a job consisting mostly of running errands for teachers; their work everyday centers around typing worksheets, running off ditto's, and enjoying all three lunches.

## Lancers Win Gunston District Title

Lee's varsity football program added a new dimension in 1974 — winning. The Lancers racked up nine wins and a tie to break all kinds of records. They won the Gunston District Championship for the first time in Lee's seventeen year history.

The Lancers weren't big or really that fast, but they combined two intangibles, desire and teamwork. The offense was shaky at times, but always seemed to come up with just enough points to win. The defense was superb. They

held the opposition to a mere 32 points for the season. Although the Lancers won on teamwork, there were a few outstanding players. The steady ground game was lead by Eddie Lenhoff's 600 yards, Bill Shepley's 400, and Dale Spark's 281. Dayle Tate was the leading passer and also gained over 300 yards rushing. Defensively the Lancer's were lead by Mike Duffy's 7 interceptions. Kleha, Downes, and Moger added 4 each, followed Hess and Buoniviri with 3 each. Hess also had 3 fumble recoveries.

# Lancers Go 9-0-1

## Lee vs. Robinson

The Lancers Started the season off on the right foot by traveling to Robinson and defeating the Rams, 12-0. The big plays of the game both came in the second half. Defensive end Mark Farrell blocked a punt and recovered it in the end zone to give Lee a 6-0 lead. Then in the final quarter, Gary Moger picked up a fumble and sprinted 30 yards to secure the Lancer victory. Moger was named player of the week for his performance.

## Lee vs. Langley

Lee's defense turned in its second straight shutout performance enabling the Lancers to down Langley, 14-0. The highlight of the game was a 62 yard punt return by Glenn Masters. Masters fielded the ball on his own 38, broke through a stream of tacklers, and sped unmolested the rest of the way for Lee's initial score. Bob Kleha led the defensive charge.

## Lee vs. West Springfield

On the third week of the season the Lancers traveled to West Springfield to take on the undefeated Spartans. Lee entered the game as 15 point underdogs but came away with a convincing 12-6 victory. The play of the game and maybe of the season came on a 33 yard touch-down pass from Dayle Tate to Eddie Lenhoff at the end of the half to give the Lancers a 12-6 advantage. The ball bounced off three Spartan defenders before coming to rest in the small half-back's hands. The second half was scoreless and the Lancers remained undefeated.

## Madison

The fourth game saw the Lancers meeting the War-Hawks of Madison. Lee escaped with a 14-5 victory when they had trouble getting up for the game. Eddie Lenhoff scored twice, on a swing pass from field general Dayle Tate. The defense, which held the Warhawks to a first quarter field goal, was led by Mike Duffy, Carter Downes and Bob Kheha.

## Mt. Vernon

Ernie Hess and Mike Duffy came up with two interceptions each to pace the Lancers past Mt. Vernon, 21-3, and keep Lee's record unblemished, 5-0. The Lancers had six interceptions to bring their season total to a phenomenal 18 in only 5 games. Lee's offense was again paced by Eddie Lenhoff, who scored two touchdowns, and a newcomer to the start-in line-up, Mike McClellan.

## McLean

Lee's winning streak once again was almost stopped by Eddie Lenhoff scored in the final quarter and Dayle Tate ran for the conversion to propel the Lancers to their 6th win, 8-7. The Lee Defense allowed only 7 points, which proved to be the last points yielded by the "Little, Bad Defense" for the year.

## Hayfield

Lee's win streak came to an end but the Lancers remained undefeated, tying Hayfield, 0-0. The Lancers outplayed the Hawks in every aspect of the game except penalties. Twice Lee missed scoring opportunities inside the Hayfield 10 and also had a long punt return by Masters brought back on a controversial clipping call. The defense was great with linebackers Kleha, Hess, Downes, and Colley playing havoc on the Hayfield backfield.

## Ft. Hunt

Eddie Lenhoff raced across the goal line with 25 seconds remaining on the clock to save the Lancer's homecoming game, 7-0. He scored on a 5 yard run as the offense once again had difficulty scoring. Kong Lenhoff, Eddie's brother, lead the defensive charge which gained a fourth shutout.

## Edison

The Lancer's defense shutout the Eagles of Edison, bringing Lee its seventh straight victory, 7-0. Lenhoff scored the Lancer's sole touchdown and defensive back Mike Duffy converted the extra point. ## Lee vs. Groveton

The Lancers clinched a district crown, the first in our history, with a convincing victory over the Groveton Tigers, 27-6. Dayle Tate led the Lancer attack, scoring twice. Bill Shepley and Mike McClellan also reached paydirt on short scampers. Ernie Hess rose to the occasion to stop a Groveton scoring drive on the Lee 26 yard line to prevent any Tiger comeback in the second Half.

# Lancers Give It their All In Play-off Game

Stuart 20-14

On a chilly, November Saturday the Lancers most successful season ever came to an abrupt ending at the hands of the Stuart Raiders. 20-14 in a highly controversial game. The contest was marred by many questionable calls by the refs.

Lee won the game of statistics. They outgained the Raiders by a wide margin on the ground and controlled the ball almost exclusively in the second half when they came back from a 13-0 deficit to take the lead 14-13, just to lose it again with less than a minute remaining in the game.

The Lancer's rushing attack was dynamite from the beginning. Dale Sparks trucked for 103 yards on 26 carries to lead the Lee runners. Eddie Lenhoff, Bill Shepley, and Dayle Tate also ran extremely well.

Lee's defense destroyed Stuart's running game, but the Raiders beat the Lancers with their passing game. Stuart completed 14 passes of 16 attempts for the day.

Even in defeat, the Lancer's finished the year with a district championship in the school's most popular sport.

## J. V. Football

## Frosh Football

The Frosh Football team had a slow start, losing its first two games. Coach Brown was added to the staff and with

his help, things started to get better. The team won its next three games and tied its last one, making their season 2-3-1. There were many outstanding players on the team, such as Mike Shearer, quarterback, and John Alexander who scored five touchdowns.

The 1974 cross country team finished well in big meets. In the William and Mary Invitational, the runners placed 15th out of 54 schools. In the Fairfax County meet, Lee was quite successful, placing 6th overall. The Gunston District meet had Lee placing 5th, thus the Lancers missed qualification for the regionals by one team or two points. Only two runners went to regionals, John Diamantes, who took 5th in district, and Nauri Ahmed who was 10th. The varsity team had 5 seniors who will be lost, but next year's team should be even better with many good J.V. prospects in addition to the returning varsity.

Lancers place in competition.

The '75 Rifle Team established itself as one of the best in the Northern Virginia league, which includes the national individual and team champions. The team's success is due to their dedication and long hours of practice at the Quantico and Ft. Belvoir ranges, and to the excellent coaching of Col. James Varnell and Col. Robert Thomas. Cathy Thomas, Lee's individual rifle champion, was consistently high shooter in the matches.

## Lancers Place Second in Gunston District

The Lancer wrestling team, plagued by injuries, struggled through the regular season, coming on strong at the end of the year to finish second in the district and fifth in the regionals.

The team was led by seven veterans. They included Rick Barnett (112), Steve Fant (119), Andy Lokie (126), Bob McIlvaine (138), Greg Fronczak (145), Mat Trayers (155), and Nauri Ahmed (167). Newcomers to the Varsity included Dennis Sherril (98), Tom Rowden (105), Larry Thompson (132), Mitch Evans (167). Steve Fant and Andy Lokie finished the regular season with an unblemished

record of 14-0. Greg Fronczak, a transfer from Hawaii checked in at 13-0-1, and Bob McIlvaine at 10-1.

In the district tournament, four Lancers garnered top laurels. The four champs were Fant, Lokie, Fronczak, and McIlvaine. Ahmed took a second and Sherril placed third. The team, as a whole, was narrowly upset by the upstart Bruins from Lake Braddock. Two seniors were defeated in the regional tournament leading to a fifth place in the regionals, although McIlvaine did come through to take a first at 138 pounds. Andy Lokie finished third as did Fronczak.

## Frosh Wrestling

The Freshman Wrestling team proved to be strong competitors. Many of the team members proved to be good enough to compete on both the frosh and J.V. teams.

## Indoor Track Boasts Individual Records

The Indoor Track team started practice on December 2nd. The team improved as meets got harder. The team held their meets at Hayfield and Mt. Vernon on Saturdays. As the season progressed, many individual players began to stack up record performances. John Diamantes is rated one of the best high school trackmen in the nation. Diamantes won all of his dual, district, and regional meets. He came in second only to the #1 runner in the nation at the Annapolis meet. Larry Wheeler placed 3rd at district and 2nd at regionals in shot putt competition, with Gary Weaver close behind. Brad Marshall and Dave Maddox are two of the highest scorers of the team. Marshal, Maddox, Diamantes, and Bright set a school record in the mile relay. Four men went to the state meet at Lexington — John Diamantes, Larry Wheeler, Gary Weaver, Sean McClernon. John took second in the 1000 yard dash, Larry took third in shot putt, and Garry took fourth in shot putt.

## Lancers Dominate Gunston District

"Unselfish play" — the key to a winning team. The 1975 Lancer basketball team was almost a picture perfect example of this style of play: fourteen victories and four defeats, a second place district finish to arch-rival West Springfield, and a berth in the regional tournament. All are results of the word "unselfish."

Seniors dominated the Lee starting lineup — guards Scott Peterson and Tom Dikomey, forwards Rich Bobick and Dixon Davidson, and center Mike Cloyd. Junior Bucky Roman also saw enough action to lead the squad in scoring. Peterson lead the finely tuned scoring machine.

He constantly broke full court presses time and time again, hitting the open man. Dikomey, Davidson and Roman did the bulk of the scoring, with Cloyd and Bobick dominating the glass. Everybody took turns scoring. Against Hayfield in the district tournament, six players finished in the double figures. How unselfish can a team get?

All this totaled up to a very successful season. 1975 has a special meaning for Lee fans: it was the year when the Lancers finally defeated West Springfield in season play.

# J.V. Basketball

The Robert E. Lee J.V. Basketball Team had the finest record that Lee's J.V. has ever had. With 18 wins and 2 losses, they were three points away from an undefeated season. Leading the Lancers to victory were Rick May (16.7 points per game), Jay Atchison (12.2 points per game),

David Gould, Scott Meredith, and Alec McCulloch. Alec and Rick were leading rebounders. Leading in assists were Scott Meredith, David Gould, and Rick May. The team averaged 74 points per game and allowed the opponents 58 points per game. In a final tournament game with Mayfield, the Lancers won with a last second shot by Jay Atchison, giving them their first Gunston District title.

The Lee Varsity Tennis Team hopes to have another successful season after having a winning season last year. The three starting lettermen back this year are captains Bob Shearer, Bruce Pearce and Joe Rizzo. Other players on the top six are Danny Cassano, Chuck McCullough, Paul Brudenbak, Larry Gilmer, Richard Shin, Dean Giordano, Drew Barrineau, Chris Lee, and Doug Denton. The team finished last year with a 10 win and 5 loss record, that gave Lee its finest season of tennis. The team coached by Mrs. Dunn, English teacher at Lee, who helped out the team greatly in place of former coach Jim Powell.

# Lancer Soccer Team Defends District Title

The 1975 Soccer Team should be a contender for the Gunston District Title again this year. Sean Fahey was the field leader in the pre-season games along with Charlie Laslie, the spiritual leader. The eight seniors on the team had a great season. Steve Risso has had many shut-outs during the year. Captains Mark Tredway, Sean Fahey and Charlie Laslie have played up to par all along with Ed Christensen and Brad Wallace. Ed Christensen add Buddy Baker's powerful shooting was important to keep the team on top. Solid defense was piloted by Mike Baker and Chuck McDonnell throughout the season.

# Varsity Baseball

The 1975 Varsity Baseball team is looking forward to a most promising season. Returning from last year's second-place team are ten lettermen. The entire mound staff is back, featuring all-district hurlers Dayle Tate, Rocky Bullard and Bruce Koogler. Improvement in hitting is a must this season, as the Lancers will contend with district front-runners Springfield and Mt. Vernon. Helping to ignite this offensive show will be outfielder, Mike Duffy, and In-fielders, Matt Smith and Doug Talbert. Dave Buonviri's slick glove at second will anchor the infield. # Spring Track

The Lancer track team this year is a positive mixture of youth and experience. Eighteen seniors make up the experience with several juniors who lettered last year, while at least 40 underclassmen have undertaken a possible high school career in track and field.

Events that seem strong for the team are the discus with defending state champion Earl Cubbage; shot put with

juniors Larry Wheeler and Gary Weaver; high jump Bucky Roman, another junior, and the long jump where Sean McLernon is performing. Two milers Nauri Ahmed and Dan Berkowitz lead the distance group with milers Scott Lane, Kevin Keegan, and Tom Winter. Dave Maddox and Brad Marshall moved up from the 440 to the half mile and look promising.

## Golf

Returning lettermen Joe Cook and Paul Meyer (Capt.) and senior transfers Sam Tanguy and Greg Nicklaus led the Lancer golf team to its finest season in years. Coach Farkas' boys pored well in the Quantico Invitational Tournament and came on strong at the end of the season to finish high in the district and regional tournaments.

## Swim Team

The 1974-75 season for the swim team was a long and difficult one. Lack of equipment, a late start in pre-season practice, and the small size of the team were the factors that contributed to a losing season. However, individual talent appeared in Lee's Randy Burnett who set a state record in the 100 yard freestyle and a district record in the 200 yard freestyle. Team Captain Rick Lierz and Co-Captain Janet Easley placed first in various events at dual meets during the regular season and were of tremendous assistance to Coach Nawrotzky in re-organizing the team. The swim team and Lee Lancers are pulling for a championship in '76.

## Girls' Varsity Hockey Shows Well in District

The Varsity Hockey Team ended the season with a 2-1-4 district record and a 2-2-4 overall record. Lorrie Dierdorff was high scorer for the season with five goals. Debra Richard was voted the Most Valuable Front Line Player and Rebecca Cover received the Most Valuable Backfield Player award.

## J. V. Hockey Players Are Tough Competitors

The Junior Varsity Hockey Team had an above-average season, even though they lost two games. They won one important game against Hayfield. There were 5 tie games in the season, a normality for J.V. Hockey teams. The most valuable front line player was Sally Campbell. The best player in the backfield was the team's goalie, Cathy Angelino.

**Front Row:** S. Campbell, K. Hanson. **Row 2:** A. Snyder, J. Simmon, D. Kutcheria, J. Kolb, A. Mancusso. **Row 3:** K. Angelino, R. Enokida, B. Campbell, S. Smallwood, B. Cook, S. Hood, K. Little.

## Take Gunston District

The Girls' Varsity Basketball Team, led by Coach Rowe, finished their season with a record of 13-1; giving them first place in the District. They knocked West Springfield out of any possible chance of returning as Gunston District Champion for this year. Their only loss was suffered to Fort Hunt. The team consisted of nine members who were: Lorrie Dierdorff, Jeanne Berens, Gail Kapp, Debbie Richard, Barbara Morris, Sally Campbell, Kathy Kleha, Jo Lokie, and Debbie Kilerest. The four captains were Jeanne Berens, Debbie Richard, Lorrie Dierdorff, and Barbara Morris.

## J.V.'s Win Gunston District Title

The 1975 Girls' Junior Varsity Basketball team added another Gunston District Title to Lee's collection. This is the first time both the J.V. and the Varsity teams won District championships. The J.V.'s finished the season with an impressive 12 win and 2 loss record. Coached by Miss Hardin and co-captained by Jann Hoopes and Jan Ross,

the freshmen and sophomore girls proved their athletic ability. Among those who excelled were Beth Campbell and Jana Ross, who were the leading scorers, and who were promoted to varsity level for the Gunston District tournament competition.

## Girls' Tennis Team Has a Good Season

Robert E. Lee's Girls' Tennis team had a good season. The team was made up of five seniors and twelve underclassmen. Judy Ash and Vicki Ginsburg did exceptionally well in the district competition, advancing to regionals where they secured a good place for Lee. The team voted Gail Copan as Most Valuable Player for the season. The record for the year was four wins and six losses. The 1975 season promises to be even more successful.

Gail Copan can be found almost every afternoon practicing on Lee's tennis court.

# Varsity Gymnastics Shows Improvement

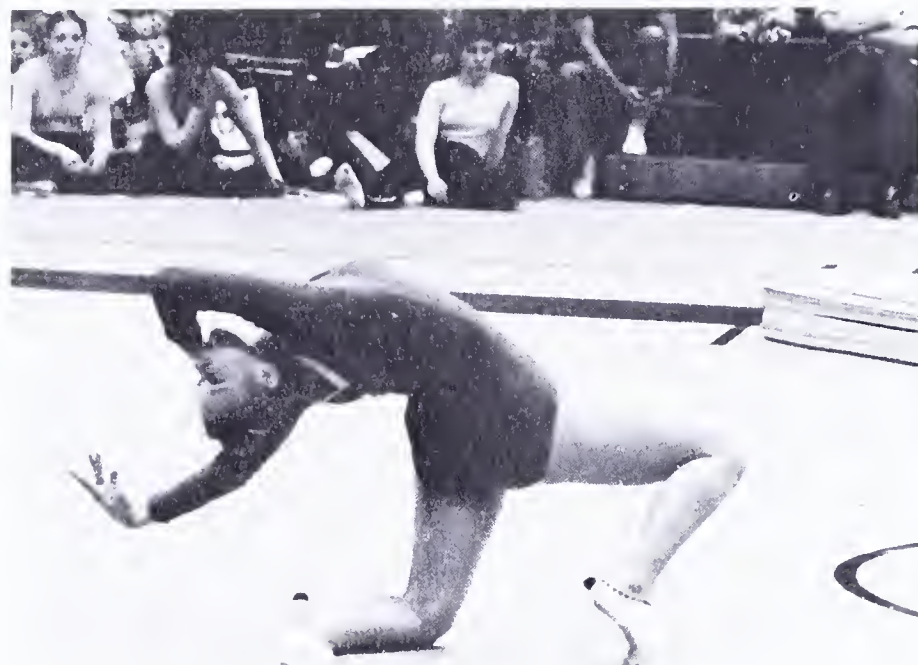

Gymnastics, Lee's newest girls' sport, did extremely well in the 1974-75 season. Gymnastics, introduced at Lee only a year ago, attracted much interest and talent. The team excelled on the uneven bars and in vaulting competition, with the other high schools in Gunston District. Among the outstanding gymnasts were Kim Potts and Laura Mills who scored high on the uneven bars in most of the meets. Maureen Ostinato led the team as best all-around.

The Gunston District Gymnastic Meet was held at Lake Brad-dock on February 21 and 22. The team placed fourth in overall competition and Laura Mills placed first on the bars, while Maureen Ostinato placed second all around. Maureen an Laura were the only girls to advance to regionals.

# CLASSES

## Junior Class Officers

The Junior Class continued to show great spirit throughout the year. With an enthusiastic class and six officers they got off to a good start. They saw to it everyone got to the away football games by sponsoring Spirit Buses. After the home games the Sophomore-Junior clean-up crew gathered the trash that had collected during the game, in an effort to keep the stadium neat. They were major contributions to Homecoming by taking a second in hall decorations and float. The number of Junior class cards sold was another record for this class. The traditional activities with the Seniors were continued also. In December they collected over a hundred dollars again for the Leukemia Research Foundation in memory of a classmate. Among their sock-hops was a Victory Dance for the football team. The class had a record treasury sum of over \$3,000. With that sum they had a successful Prom at the Fairfax Country Club. Now, looking at their new class rings makes them think of next year which promises to be even more exciting.

## Sophomore Class Officers

The 1974-75 school year turned out to be a financial success for the sophomore class through bake sales, stadium clean-ups, two sock-hops, a spring dance and a year-end class picnic, a substantial amount was added to the class treasury. This fund will be expended eventually for activities in the Senior year. Three class officers were unfortunately "lost" when their families moved out of the area mid-year. Their presence was appreciated while they were here and the sophomore class wishes them success in their new localities. The four remaining officers pulled the class through the year with their enthusiasm.

## Freshman Class Officers

1974-75 has proven to be very successful for the Class of '78. The class treasury was increased by two profitable, and enjoyable, sock hops plus several bake sales and a car wash. The freshmen worked together in construction of the homecoming float and decoration of their hall. To increase class spirit, the officers made Class of '78 T-shirts available to freshmen. During their first year at Lee, the freshmen learned that the success of class projects depends upon the co-operation of numerous people. The feeling of enthusiasm and responsibility of the Class of '78 will continue to grow throughout the coming years at Lee.

## Bye Bye . . .

As Editor-in-Chief of the 1975 Shield, and on behalf of the staff, I would like to give thanks and credit to all those people who helped us out on their own time and trouble when we really needed them.

We would like to thank Paul Meyer for all those sports articles we needed so desperately. Also Nauri Ahmed for sports articals.

A special thanks to Bob Gavaness, a friendly professional photographer, who came out at his own time and expense to save us from missing a deadline.

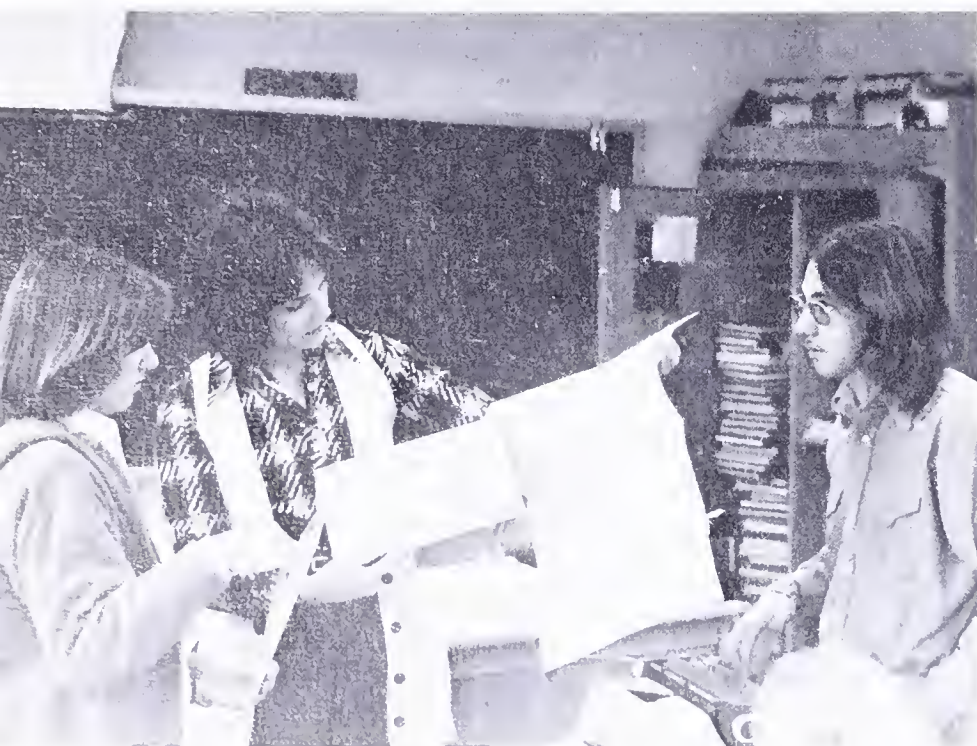

To the 1975 Shield Staff: thanks for all the time and effort and rushing and nagging and frustration and just plain work that you all contributed, and I hope you all got as much as I did out of this past year.

And to the one person without whom there would be no yearbook, this or any other, year, the 1975 Shield Staff would like to show its greatest appreciation and thanks to our sponser Mrs. Glenda Burgess, who through long hours, extremely long hours, and great patience, very great patience, made this book come together into something we hope reflects the past year as completely and objectively and as pleasing to as many people as possible.
